2.11 Capacity building of students

i. Life skills (Yoga, martial arts, problem solving, critical thinking, decision making, effective communication skills, coping with stress and emotions etc.)

Skill enhancement courses like soft skills, language and communication, yoga, physical fitness, health and hygiene, ICT etc. are indispensable skills which are very important in today's world. We at Maharana Pratap Govt. College Amb are trying our best to help students to learn skills. We conduct various programs to enhance the limits of students by making skillful in various fields. These courses not only boost their self-confidence but also increase their employability. The English and Hindi departments and various clubs & societies of our college are organizing various programmes and workshops to celebrate the respective languages on the special days and otherwise. Besides the above the college has a special focus on the mental and physical health of the students for which it is organizing various programs. In order to produce responsible citizens, we conduct workshops on drug abuse, cleanliness drives etc. on regular basis. A sample of the same is given below.

7.Pledge to say no for drugs

"Under the Drug Free Una campaign, students took an oath to not consume drugs"

In order to make all the students aware about drug abuse, a lecture was given by the nodal officer of the program Dr. Nitin Kumar Sharma by the "Nasha Nidhi Prahari Club" in the Government Excellence College Amb. The Principal of the college, Prof. Darshan Kumar, attended the program as the chief guest. The nodal officer of the program, Dr. Nitin Kumar Sharma, gave an interesting lecture on drug abuse in great detail to the students through PPT. He told that bhang, ganja, chitta, opium, hashish, cocaine, heroin are deadly drugs. Today's youth easily fall into their clutches. Slowly, these drugs hollow out the body of a person. He urged all the students to stay away from these drugs and it is very important for everyone to identify them. Only if everyone is aware, then we can make the society around them aware. He also told that all these types of drugs have a very fatal effect on the physical and mental development of a person. Most of the fatal diseases like cancer develop from these. At the end of the lecture, he also shared a helpline number with the students and said that if any kind of drug related activity is seen, then immediately inform the government on this number. At the end of the program, the Principal of the college, Prof. Darshan Kumar administered an oath to all the students not to take drugs and asked everyone to take a pledge to raise their voice against drug abuse.
