### (vi) Grievances Redressal as per timeline

#### Mechanisms for submission of online/offline students' grievances

The Institution has a transparent mechanism for the timely redressal of student grievances including sexual harassment and ragging cases

- **Implementation of guidelines of statutory/regulatory bodies**

All cells and committees established to address stakeholders' grievances are constituted in accordance with the guidelines prescribed by the relevant statutory/regulatory bodies. The IQAC team also formulates appropriate guidelines for the respective cells or committees.

- **Organization-wide awareness and undertakings on policies with zero tolerance**

An annual orientation program spanning three to four days is conducted for students, encompassing essential aspects such as major activities, the student code of conduct, and various significant processes including HPU registration, examinations, CCA, MTT, scholarships, NCC, NSS, R&R, library conduct, and the grievance redressal system. Additionally, student-related concerns are addressed through designated WhatsApp groups and a centralized Telegram Group.

#### **Mechanisms for submission of online/offline students' grievances**

1. To address the grievances of offline students, suggestion boxes and complaint boxes have been strategically placed across the campus. A dedicated committee routinely reviews and addresses the concerns submitted through these boxes, ensuring a timely resolution of students' grievances. Additionally, the institution conducts 3-4 Mentor-Mentee Meetings throughout the academic session, facilitating one-on-one interactions between mentors and mentees. Contact information for sensitivity committees, including the Women Cell, Anti-Ragging Cell, SC/ST and Minority Cell, and OBC Cell, is prominently displayed at various locations within the college premises and is also accessible on the college website. Moreover, the official email addresses, contact numbers, and postal addresses are prominently featured on the college website. Regular communication is maintained between the representatives of the College Student Council Association (CSCA) and the college administration, ensuring a collaborative approach to addressing concerns as they arise.
2. The institution has established multiple channels for addressing online students' grievances, enhancing accessibility and convenience. Students can submit their grievances through the college website's dedicated online grievance submission portal. Additionally, a comprehensive Common Online Students' Grievances facility is integrated into the college website, specifically tailored for each statutory cell to ensure a streamlined and efficient process. Furthermore, the institution conducts various annual surveys encompassing all stakeholders, including students, parents, and employees. These surveys serve as a platform for individuals to freely express and share their
