

## Institutional Vision Document 2024-29

### **Institutional Mission, Vision and Objective**

#### **Mission Of College**

The mission of our college is to create a student friendly, progressive and creative environment ideal for teaching, learning and evaluation catering to the needs of public sector, private sector and all other stakeholders. Upholding the social, moral and human values the mission of the institution is to provide rural youth educational opportunities that emphasize skills and knowledge that will allow them to adjust through a lifetime of social and technological change. The college is committed to offer quality education to its students and to assist them in discovering their leadership qualities and to fulfil their educational goals.

#### **VISION**

**‘To Strive, To seek, To Find & Not To Yield’**

The college has vision to create a cadre of motivated and prospective individuals who become forerunners of change through need based and value-based education; To open up new vistas of teaching and learning with the vision of academic freedom and institutional autonomy. Having completed education in the portals of this college, we wish, our products become good human beings and law-abiding citizens making lofty contributions in the various spheres of activities.

#### **OBJECTIVES**

In order to fulfil this mission, the institute sets forth the following objectives which reflect the overall goals of the college

1. To provide the students with a background of job skills which enhance their employability.
2. To provide students with management and soft skills which contribute to success in their careers and in their personal lives.
3. To make available our students the activities, services and experiences which foster personal growth and leadership qualities and assist them in their social and academic pursuits as well as in ethical and moral values.
4. To impart our students the quality education in science, humanities, management and IT studies and also to sensitize them towards inclusive social concerns, environmental issues and human rights.
5. To cultivate the spirit of nationalism among students through various projects and extra-curricular activities and to make students aware of the various policies, plans and schemes of the government which they can avail
