### Annual Review Meeting on Students Outcomes in Academics, Co-Curricular, Extra Curricular and Extension Activities and action taken during the Session for achieving Academic Excellence

The following action plan outlined the strategic initiatives and activities aimed at enhancing the overall academic and extracurricular experience for students at MPGCAmb during the academic session 2023-2024. This plan built upon the achievements and insights gained from the previous session, ensuring a comprehensive approach to student development, infrastructure improvement, and community engagement.

- Induction cum Orientation Programme  
For achieving the excellence during the session 2023 – 2024, MPGCAmb had organized a Students Induction Programme wef 20<sup>th</sup> July 2023 to 24<sup>th</sup> July 2023 for the students of BA, B.COM, BSC, BBA, & BCA. In this orientation cum induction programme students were introduced with faculty members along with the syllabus.
- Preparation of College Prospectus  
A detailed college prospectus was prepared for the academic session, providing prospective students with essential information about the courses offered, faculty qualifications, campus facilities, and various student services. This document served as a vital resource for guiding new students in their academic journey.
- Registration on Digital Library of India  
Efforts were made to register the college library on the Digital Library of India platform. This initiative aimed to broaden access to a wealth of digital resources, enabling students to engage with a diverse range of academic materials and enhance their research capabilities.
- Accessibility Enhancements  
To ensure inclusivity and accessibility for all students, particularly those with disabilities, pathways were constructed across all college buildings and blocks. This initiative reflected our commitment to providing an accommodating environment that supported the needs of every student.
- Formation of Alumni Association  
An Old Students' Association was established to foster a strong network among alumni. This association facilitated mentorship opportunities, networking events, and

To enhance campus security and ensure the safety of students and staff, a comprehensive CCTV surveillance system was installed throughout the college premises. This initiative aimed to create a secure learning environment where students could focus on their studies without concerns for their safety.

➤ Virtual Classroom Functionality

The smooth functioning of virtual classrooms was prioritized by upgrading existing technology and infrastructure. This included ensuring reliable internet connectivity and user-friendly platforms to facilitate effective online learning experiences for students.

➤ Infrastructure Development

Plans were put in place to install additional internet connections and necessary infrastructure to support enhanced digital learning environments across the campus. This investment was crucial for meeting the growing demands of technology in education.

➤ NAAC Accreditation Process

The National Assessment and Accreditation Council (NAAC) accreditation process was initiated to evaluate and enhance the quality of education provided at MPGC Amb. This accreditation served as an important benchmark for institutional excellence.

➤ Cultural and Sports Activities

A variety of cultural and sports events were organized throughout the academic year to promote student engagement and foster a sense of community within the college. These events included inter-college competitions, talent shows, and sports tournaments designed to encourage participation from all students.

➤ Clubs and Societies Initiatives

Various clubs and societies within the college were tasked with organizing awareness programs, competitions, and other activities aimed at enriching student life on campus. These initiatives provided opportunities for personal growth, leadership development, and social responsibility.

➤ Safety Equipment Acquisition

To ensure the safety of students on campus, additional safety equipment was procured as part of our commitment to maintaining a secure educational environment. This included fire extinguishers and other emergency response tools that were essential for student safety.
