Coders Ready skill development Programs and Certifications are globally accepted and empower B.Sc., BCA, MCA, BBA, MBA, B. Com, and PGDCA students to achieve their career goals faster.

We are delighted to express our interest in collaborating with Maharana Pratap Govt. Degree College Amb to enhance the skill development of their students. This Memorandum of Understanding (MOU) outlines the framework and commitments for our joint efforts to empower students with essential skills and knowledge to thrive in today's competitive professional landscape.

1. Objective:

The primary objective of this 'Memorandum of Understanding' is to promote cooperation/collaboration between **Maharana Pratap Govt. Degree College Amb** and **Coders Ready** to promote skill development, experiential learning through high-end multidisciplinary engineering tools and technologies among youth to provide them opportunity to learn and earn global certifications, through their active participation in Industrial Training Programs. These programs are to be conducted to strengthen the **'Make in India'** and **"Skill India'** **initiatives of Govt. of India**, expected to boost the employability of young aspirants at the National and international levels.

2. Scope of Collaboration:

a) **Training Programs:** Our organization will conduct specialized skill development training programs designed to develop students' skills in Artificial Intelligence, Data Science, Machine Learning, Cloud Computing, Full Stack Web Development, Networking, User experience(UX), Information security, Risk Analysis, Penetration Testing, Technical support, Automation, Robotics, DevOps, Supply Chain Management, Quality assurance, Compliance, Data administration, Data analysis, Data visualization, Big data, Project management, Digital Marketing, Blockchain developer. These programs will be tailored to meet the industry's demands and align with the Latest curriculum of Engineering.

b) **Workshops and Seminars:** We will organize interactive workshops and seminars in college on various topics and give hands-on experience on new technologies, featuring industry experts and professionals as guest speakers.

c) **Internships:** CODERS READY will offer internship opportunities to selected students, allowing them to gain practical work experience in a real-world setting.

d) **Knowledge Sharing:** Both parties agree to share relevant educational resources, research findings, and best practices related to skill development.

e) **Innovation Lab:** The Coders Ready team will assist the college in the setup of the innovation lab by sharing expert knowledge. We can help college not only recognize the game-changing ideas that are already on the table but also implement processes that help serially deliver incredible innovations. Whatever the goals of your innovation lab, we are here to support you in creating lasting competitive advantages.

f) **Tech fest -** In order to provide a platform where the students can showcase their technical skills, Coders Ready and College jointly organize a technical festival every year. Coders Ready helps students in AI or IoT-based model building. The college will arrange the funding to organize the fest.

3. Responsibilities:

a) CODERS READY

i. Design and deliver skill development programs and schools, workshops, boot camps, and Code-a-thons as per the agreed schedule. Coders Ready acts as an Industry Institute Partnership Cell work to bridge the gap between the institute and industry and to promote industry interaction in various dimensions of academics. Coders Ready focuses on identifying the industrial needs and preparing the students with potential skills required by the industry.

ii. Provide necessary resources and expertise (Industrial experts and teaching faculties) to facilitate successful implementation.

iii. Facilitate internship opportunities and ensure a conducive learning environment for students during their tenure with our organization.

iv. Counselling session with Industrial persons to motivate students.

v. Coders Ready will conduct an assessment of each candidate as per international norms specified for each training program and on successful completion, the participant will be awarded with Global Certification approved by GAAFS.

b) Maharana Pratap Govt. College

i. The college will provide the required Infrastructure, necessary facilities like proper internet, PCs for students, projectors, video conferencing facility, etc., and also provide one- or two-day accommodation during Industrial experts visits or Coders Ready team visits in college.

ii. Promote skill development initiatives among students and encourage their active participation.

iii. The college will appoint a coordinator to carry out this activity at their center and announce suitable incentives for them to achieve the annual training target. The coordinator may be a full-time employee or have a part-time association with the college. The coordinator will be trained by Coders Ready; the duration of training will be 3 days. This training will help them to identify potential benefits and technical insight of the programs and also to learn marketing strategies to promote these programs among BCA, BBA, B.Sc., B.Com., and PGDCA students.

iv. Coordinate with relevant departments and faculty to integrate the skill development programs into the curriculum.

v. Assist in arranging workshops, seminars, and other collaborative events on campus.

vi. College will designate Coders Ready as its knowledge partner for training programs jointly organized by both parties.

4. Duration:

This MOU shall be effective from the date of signing and remain in force for a period of Three years (academic Session 2023-24, 2024-25, 2025-26). Upon expiration, both parties may mutually agree to extend its validity through a written addendum.

5. Review and Evaluation:

Both parties shall conduct periodic (Biannual) reviews to assess the effectiveness and impact of the skill development programs. Necessary modifications and improvements shall be made based on the feedback received from students and relevant stakeholders.

6. Confidentiality:

Any confidential information shared between the parties during the course of this collaboration shall be treated with the utmost confidentiality and not disclosed to any third party without prior written consent.

7. Termination:

In the event either party wishes to terminate this MOU before its expiration, a written notice of ONE MONTH shall be provided to the other party.

We believe that this collaboration will create valuable opportunities for the students of Maharana Pratap Govt. Degree College Amb and contribute significantly to their professional growth. We look forward to signing this MOU and commencing our joint efforts toward a brighter future for the students.

This is to be read at all times in conjunction with the extent MOU signed on and in consonance with its letter and spirit.

IN WITNESS WHEREOF the parties hereto set and subscribed their hands and seal the day and year first herein above written.

iii. Space Window Pvt. Ltd. :-

SPACE WINDOW PVT. LTD

Memorandum of Understanding for Academic Cooperation

Between

Space Window Pvt. Ltd.

And

Maharana Pratap Govt. Degree College, Amb

Space Window Pvt. Ltd. and Maharana Pratap Govt. Degree College, Amb (MPGDC) recognize their strengths in research and education in one or more disciplines i.e., BCA,BBA, MCA, B. Tech in Computer science engineering, Human Resources and their mutual interest in engaging themselves in academic cooperation.

Space Window Pvt. Ltd. and Maharana Pratap Govt. Degree College, Amb therefore agree to establish a programme for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions set forth in this memorandum of understanding (MoU).

I. Objectives

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. Space Window Pvt. Ltd. and MPGD Agree:

a) to exchange information on research and educational programmes.

b) to exchange information on teaching, learning material and other literature relevant to their educational and research programmes.

c) to jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein.

d) to jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein.

e) to jointly propose and engage in research or training programmes sponsored by funding agencies,

and to invite each other's faculty to participate therein.

f) to exchange, on a reciprocal basis, students at Undergraduate, Graduate levels for limited periods of time for purpose of education and /or research.

Space Window Pvt. Ltd. and MPGDC further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

II. Student Exchange

Space Window Pvt. Ltd. and MPGD Cagree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate i.e., MPGDC. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study or research i.e., Space Window Pvt. Ltd.

a) Exchange students will be selected by mutual agreement between the home institution and the host institution.

b) An exchange student will continue to be treated as full-time student at his/her home institution. c) An exchange student will be considered as full-time "exchange" student at the host institution.

c) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.

d) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.

d) The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.

e) The Host institution will take an entrance test for the students. The students who will clear their exam with

Division	Obtained Marks (in %age)	Discount (in %age)
1.	Above 95 %	40%
2.	Above 90%	35%
3.	Above 80 %	30%
4.	Above 70 %	20%
5.	Above 50 %	10%

The remaining students have to pay full training fees and these criteria will same for 45 days, 180 days, 365 days training. There are no examination fees for entrance exam.

f) Host institution will also help those students, who belongs to Poor Family background.

g) The Host institution gives 100% guarantee for the placement of the students after completion of 6 months of training.

h) Space window agree to provide suitable accommodation for students. We are also providing Students details and performance to their family and to their College H.O.D.'s.

i) The exchange students will pay tuition and other fees at their home institution.
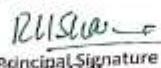

III. **Tenure and Termination**

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither Space Window Pvt. Ltd. nor MPGDC will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, Space Window Pvt. Ltd. and MPGDC will ensure that all activities in progress are allowed to complete successfully.

IV. **Arbitration**

Clause Should there be a dispute relating to any aspect of academic cooperation, Director, Space Window Pvt. Ltd. and Principal, MPGDC will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.
