## DIWALI GREETINGS

Dear Students,

As we approach the joyous occasion of Diwali, I would like to extend my warmest wishes to each one of you and your families. Diwali, the festival of lights, brings us the message of victory of light over darkness and knowledge over ignorance.

While celebrating this auspicious festival, I encourage you to keep in mind the importance of a pollution-free Diwali. Let's enjoy this time with our loved ones by embracing eco-friendly practices, avoiding fireworks, and lighting up our homes with traditional diyas and decorative lights. In doing so, we not only protect our environment but also promote a healthier, cleaner, and more peaceful community.

Please remember to prioritize your well-being and safety during the holidays. Maintain a balanced lifestyle, stay connected with your loved ones, and return rejuvenated and ready for the rest of the academic year.

**Wishing you all a happy, healthy, and safe Diwali!**

Warm regards,  
Prof. Darshan Kumar
