A Brief Annual Report of Students Mentoring

1. On 5th August 2023, all the students were guided about the future studies about the completion of the Graduation and Post-graduation and were sensitized that the education is an investment which may for us at any time. Therefore, we should continue our higher studies until the last higher degree is acquired.
2. On 11th September 2023, the students were sensitized the career opportunities after the completion of their respective degrees and to prepare ourselves as per the requirement of the respective field which we want to join in future.
3. On 3rd October 2023, it was told and shared with all the students that Ragging is an offence which is punishable and we should never involve ourselves in such type of activities which harass anyone in any form. We should behave with everyone in a very decent and polite way either anyone is junior or senior to us.
4. On 10 November 2023, all the students were again sensitized that moral education is our need and we should focus ourselves on the positive aspects of life inspite of giving space to the negative aspects of life. Good etiquettes, behavior, affection, honesty, hard-work, politeness etc. are the qualities which shape our good character and give a feeling of satisfaction to us. Therefore, alongwith the higher education, we should give a space to the moral education too.
