Research Experience

Research Interests : International Trade

Brief Research Profile :

I completed my M.Phil. from Himachal Pradesh University, Summerhill, Shimla, with research focusing on the awareness and impact of GST among businessmen in Shimla District. My study involved surveys and interviews to assess their understanding of GST, compliance challenges, and its influence on business operations, providing valuable insights into the practical implications of policy reforms. Currently, I am pursuing a Ph.D. in international trade, researching "India's Trade and Investment Relations with G20 Countries." During India's G20 presidency, I actively participated in various conferences and seminars at Himachal Pradesh University, enriching my academic journey and expanding my understanding of global trade dynamics.
